Chamber Extends Invitation To Soda Springs To Unite

To further the plan, the chamber will hold a special meeting next Wednesday at noon at Donner Summit Lodge and everyone interested in the project is invited to attend. President N. F. Dolley pointed out that the common interests of the two areas makes the idea feasible.

The chamber members also discussed an Independence Day observance and Ivan Tofft and Jack Marquette were appointed to arrange a night boat parade on Donner Lake, with participants vieing for prizes offered by the chamber. Lights, of course, would be the big attraction of the novel plan.

Dolley announced that the Truckee Volunteer Fire Department had agreed to co-sponsor the annual cleanup-paintup program at a date to be announced. Harry Stout of the Truckee-Donner Disposal Service has agreed to permit a 15-day free use of his dump to dispose of refuse gathered during the cleanup, Dolley announced.

Eight Candidates File For Trustees On School Board

That there will be a spirited election for trusteeship in the Tahoe Truckee Unified School District was indicated when the filing date ended last Friday with eight candidates entering the race for the three offices.

The election is scheduled for April 20 throughout the entire district, although candidates may be nominated only for the trustee district they hope to serve and in which they are residents.

In Trustee District No. 1 the Soda Springs area, the incumbent, Max Williamson of the Soda Springs Ski Corporation, was the only candidate to file.

However, the story is different in District No. 4, Tahoe City east, and in District 5, from the bridge at Tahoe City to the El Dorado County line, where seven candidates filed for the two vacancies.

In District 5, the incumbent, Gordon Moyer, who had filed for re-election, withdrew his petition and will not be a candidate. Those who did file in this district are William Conners, service station operator, Dale Freeland, telephone company employe and Mrs. Margaret Birmingham, retired business director.

Paul Rivard, incumbent in District No. 4 will be opposed by Tommy Kael, a motel operator, Dr. Robert Tierney, a dentist and Kenneth Sather.

Petitions Studied For Incorporation

Dr. Ben King, who heads the Truckee-Donner Chamber of Commerce committee on the incorporation determination, has turned the required petitions, asking that an election be called, over to Attorney John Couzens for a study to learn if there are sufficient signatures representing enough assessed valuation to bring the matter before the supervisors.

No further official action will be taken until a report is received from Couzens who is representing the committee in the matter.

Additional petitions are available for those who have not been contacted and who wish to sign, Dr. King said.

The Commodores Coming To Lodge

CRYSTAL BAY—"We Love the Commodores"—has been the word on the lips of almost everyone who has ever seen and heard the fabulous Commodores of Arthur Godfrey television fame, coming into the Topaz Room of North Lake Tahoe's Nevada Lodge on March 16.

Formerly known as the Imperial Quartette, the Commodores have been together for over four years. As the Imperial Quartette, they gained national fame as one of the finest spiritual singing groups in the world. Four years ago the group found a new sound, and the people loved it; they then changed the name of the group to the Commodores, and divided their act into seven different types of music: pop, rock and roll, western spirituals, comedy, progressive and operetta. This makes the fantastic Commodores one of the most versatile singing groups in the country today.

Since moving on the night club and casino circuit the Commodores have been acclaimed all over America as one of the finest vocal acts in show business today. Not only are they a great vocal act, but also very talented musicians, which accounts for their outstanding tones and harmony.

Their warm and sincere personalities combined with their wonderful blending of music attracts people of all ages. They have been a hit wherever they have appeared.

Closing on the 14th are Maize & O'Conlon, a comedy-song duo that has really struck fire among the show-goers at North Tahoe.

Happy Day—
Celebrating her birth date today is Marcia Leamon, the event being observed with her family.

High School Grads Go On To College

SACRAMENTO — (CNS) — More than half of California's high school graduates continue their education through the public and private colleges of the state.

This was reported today by the state department of finance, which has completed a study of total and full-time enrollments in the institutions of higher learning.

Of the 186,719 high school graduates in the fall of 1963, the survey indicates 98,366 were enrolled in institutions of high education, or a rate of 526.8 per thousand.

In Nevada County, there were 253 high school graduates, with a total of 38 continuing to college, a rate of 150.2 per thousand.

The county of Santa Cruz showed the highest rate in the state, 814.9, with 929 out of 1,140 graduates pursuing higher education.

Reno Ramblings

By BETHEL

Iletta Grellman, former North Shore resident now residing in Reno, is sponsoring the art exhibit of San Francisco artist, Geoffrey Lewis, at the University of Nevada. Iletta is well known herself in art circles and has exhibited her paintings throughout many areas. She is a friend of Lewis' of many years and has worked for the past two years to bring about the first showing in Reno of his paintings. Only two outside artists a year have their work shown at the university so this is a great accomplishment for Iletta and a rare opportunity to view Lewis' paintings.

Having viewed these exhibits Sunday, we urge Reno visitors to make the time available and not miss this showing which is open from 1 to 4:30 p. m.

* * *

Herbert Grellman, who North Shore residents will remember from the Nevada Lodge, is now at the Primadonna in Reno.

* * *

Curt Draney, son of the Ted Draneys of Incline Beach, has received his greetings from the army and will be included into service shortly.

* * *

Mary Beth Endicott of Incline Village is a familiar face at the desk at the Sierra Tahoe Hotel.

* * *

Kudos to Margo Coby of the Sierre Tahoe Hotel for complementing 17 rooms for the press on a Saturday night, who accompanied the Governors' Winter Sports Tour to the North Shore of Lake Tahoe over the past weekend.

A cocktail hour was held at the pavilion sponsored by the North Lake Tahoe Chaber of Commerce to which over 100 persons attended. Dinner for the governors, press, chamber and invited guests was held at Guy Michaels famous dining spot, the Chataux.

Since this was a winter sports tour the weather cooperated with a variety of snow and sunshine.

Bob Carrol, Charles McNeill of Vic Sterling represented the press from Reno. Among members of the press that were present were Bruce Lockey, Clerk Bigler, Bob Brown, Pat G. Lendon, Elmer Baxter of Los Angeles, Guy Shipler, Esther Ann Billings, Jim Hadlock and Lou Dresser.

The Governors? Pat Brown and his wife of California and Grant Sawyer and his wife of Nevada. Wonder what the Governor of California said to the Governor of Nevada—and vice versa.

* * *

Happy birthday to Martha Lewis Holmes, Yuba City, who celebrated her 88th year on March 9th. Mrs. Holmes is the mother of Ceta Hooper and Bethel Van Tassel of Reno.

* * *

The Dog Sled Races at Kings Beach are scheduled for the weekend of March 12, 13 and 14th. Friday night is the Calcutta dinner at Crystal Bay with Fred Schultz officiating. Dinner is no host, 7:30 p. m. in the Crystal Room. The races will be on Saturday and Sunday the awards will be made.

* * *

Too bad Chuck Emerick of Incline Village will be unable to participate in this year's dog sled races. The injury to his back which he suffered in December will not permit his racing. He and wife, Ginny, were active in the previous years races and contributed much to their success.

However, Chuck is still operating his kennels at Incline Village and will be an interested onlooker at the races.

Meanwhile, Ginny is working at the Tahoe Forest Hospital in Truckee.

* * *

Don't forget the Women's Club of North Tahoe annual Hat Party at the Nevada Lodge on March 16th, Tuesday night. Reservations may be made by phoning the lodge or president, Eleanor Egan. Eleanor presided at her first meeting as president when the club met last Monday at Crystal Bay. Luncheon was enjoyed by those present and main topic of discussion was the Hat Party.

Kay Connick and Pearl Draney were appointed as membership chairmen by Eleanor.

* * *

Jack Sommers, former manager of the Sierra Tahoe Hotel, is now with the Holiday Lodge. Jack is a Reno resident and well known both at the North Shore and in Reno. Good luck in the new venture Jack.

* * *

John and Jerry Rayburn of Incline Beach were visitors to Walnut Creek to Jerry's sister and husband, Theresa and Tom Sutton.

The Rayburns also visited Dick and Ruth Lavery in Sacramento.

* * *

Our deepest sympathy to Ruth Lavery of Crystal Bay on the death of her mother, Grace Burdick, who passed away in Sacramento last Monday. Mrs. Burdick was 84. Ruth and Dick will remain in Sacramento to settle the affairs of the estate before returning to Lake Tahoe.

* * *

Earl and Carrie Gray have returned to Kings Beach after a six weeks stay in Hawaii. No big snow storm greeted their return this time. The past couple of years a big snow storm usually arrived with the Grays.

* * *

Nelle and Don Barkhurst of Cal Neva Heights, Crystal Bay, entertained Nelle's nephew and wife, Mr. and Mrs. Fred Detering of Seattl, and Nelle's niece and husband, Mr. and Mrs. Ted Schaessler of Portland, several days last week.

* * *

Marilyn Simonsen and baby daughter, Linda, have been visiting her parents, Greg and Virginia Englehard at Incline Village from their home at Lemoore.

* * *

Greg and Virginia Englehard of Incline Village were recent visitors to San Francisco. Daughter, Nancy, accompanied them on the trip. Nancy was maid of honor at the wedding of a high school friend at Orinda where they attended school together.

Upon returning home, Nancy was hospitalized at Washoe Medical Center in Reno for a thyroidectomy. she is a student nurse there and no doubt being a patient added to her education from that point of view. Speedy recovery, Nancy.

Recent guests of the Englehards from Orinda were Marvin and Beverly Bonds.

DEFENSIVE DRIVING—Always be alert to take the proper defensive action when there is a vehicle approaching from the opposite direction, advises the California State Automobile Association. (1) If it is straddling the center line, keep to the right to maintain clearance, stopping if necessary when on a narrow street. (2) Do not take signals for granted: a driver may give a right turn signal but cut directly across your path. (3) If an approaching driver refuses to lower his high beams at night, lower yours, reduce speed and look at the right edge of the roadway.

The Saga of Penny. After skiing at Slide Mountain with friends Dr. and Mrs. Jos. Furlong returned to their Chateau Acres home to find their nine year old beagle, Penny, missing. Penny is not accustomed to the wide open spaces, having been a city dog and confined to small quarters, and apparently wandered off.

Phoning Ric Reynolds, Penny's plight was broadcast. Listening in was Mrs. C. N. Williams of Squaw Valley who owns dogs and on whose doorstep Penny was found. Several phone calls later Penny was returned to her home. Since the distance between the two points is some twenty miles, the question is how did Penny arrive in Squaw Valley. However, Dr. Furlong isn't too concerned since his philosophy is that a bad Penny always returns.

Boaters Warned Of New Regulations

In keeping abreast of proposed boating legislation and the recent changes in lifesaving equipment, State Senator Paul J. Lunardi urges all boat owners to check their safety devices in compliance with new requirements for certain types of life preservers and fire extinguishers.

The senator said that effective January 1, 1965, kapok or fibrous glass lifesaving devices must have the buoyant material encased in heat-sealed plastic bags. Such devices not having the inner flotation material protected by plastic bags are no longer approved and must be replaced by the protective type.

Recent tests by the United States Coast Guard vividly illustrated that lifesaving devices, not protected by plastic, lost buoyancy rapidly if emmersed in water which had gasoline or oil film on the surface. The tests also demonstrated that unprotected life preservers, after several years of service, had a very high failure rate when subjected to a buoyancy test in ordinary sea water.

In connection with fire extinguishers, the U. S. Coast Guard has announced that the effective dates in their new regulations on fire extinguishers has been advanced from January 1, 1965 to June 1, 1965. These changes will be concerned with dry chemical, stored pressure, portable marine-type fire extinguishers without the pressure gauges or other indicating devices.

The following three types have been approved for motorboats: (1) carbon dioxide which is best in closed areas; (2) dry chemical. This type is good for both open and closed areas and is effective on electrical and flammable liquid fires; (3) foam, which is good for both open and closed areas and is effective on combustible and flammable liquid fires. However it is not recommended for electrical fires.

Those in attendance were Mesdames George Brown, Bill Reynolds, Hal Rutledge, Daegling, Wayne Hawkins, Ted Draney, Bill France, Clarence Achiger, Jay Mandeville, Bill Marx. The group met in the home of Mrs. Marx, with Mrs. Rutledge as cohostess.

The group discussed plans for a luncheon on March 24th. This will feature slides taken by Vera Daegling during her eight years living in various parts of Europe. Tickets are available in limited quantity from Arlene Reynolds, Nancy Rutledge and V. Ann Mandeville. The group also discussed its traveling basket. To raise money for their projects, this group has a basket going from one person to another —not necessarily members — to which each recipient, who is given a baked goodie, donate for this and then adds her gift for the next one on the list. Carol Harris gave me Avon last time around. When Pearl Draney got the basket she put in a lemon pie, her specialty, for Louise Walter, who gave a beautiful Mackinaw trout to Dorothia Whitley. This is an interesting way to raise money with everyone getting a real treat in the bargain.

Wedding Rites For Truckee Couple At Local Church

Patricia Doyel and David Sorani were united in marriage February 26th at the First Baptist Church of Truckee. Rev. Bob Duffer performed the double-ring ceremony.

Attendants were Lynn Quartly, maid of honor, Susan Doyel, junior bridesmaid, Richard Sorani, brother of the groom, best man, and Brad Doyel, groomsman and usher. Glenn Lewis assisted as usher. Mrs. Leonard Sigle of Reno played the wedding music and Bill McDown of Kings Beach sang.

The bride wore a dress of white lace with a tiered skirt. Her veil was held by a white flower nestled in pale yellow ruffled net. Her bouquet consisted of white carnations and yellow rosebuds.

The maid of honor wore an aqua blue dress with a matching blue flower on her head. She carried a blue carnation nosegay bouquet with yellow streamers. The junior bridesmaid wore a yellow dress with matching yellow blower and carried a yellow carnation bouquet with blue streamers. The men wore white jackets.

A reception was held in the recreation room of the church following the ceremony. The candleholders and lace tablecloth used were heirlooms of Mrs. Ted Franklin. The guests were served by Mrs. Joyce Lewis and her daughter, Linda. Daleen Doyel, another sister of the bride, had charge of the guest book.

Parents of the couple are Mr. and Mrs. Dale Doyel, Mrs. Theodore Franklin and Ray Sorani all of Truckee.

The couple is now making their home in Reno where he plans to attend the University next fall.

COMMISSION ORDERS SIERRA PACIFIC TO CUT ELECTRIC RATES

Fred L. Fletcher, president of Sierra Pacific Company, said he is disappointed at the Public Service Commission of Nevada's action in ordering a $617,100 electric rate decrease now.

At the same time he said the compan will move promptly to file new electric rate schedules as ordered by the commission.

The commission decision announced Monday, March 8, by Chairman J. G. Allard, directs the company to make the electric rate cut effective with meter readings on and after March 31.

In explaining the company's disappointment on the rate reduction order Fletcher pointed out that the commission has ordered four rate cuts in the past two years, three on gas and one on electricity, which in 1965 will total $1,595,000.

He said they consisted of one with the arrival of natural gas in January 1963, another later in 1963, a third in October, 1964, and the present electric cut.

"These reductions in revenue substantially offset the $2,250,000 of rate relief granted in 1963 and fail to take into account the many years that the company served northern Nevada with a lower-than-normal rate of return and the fact that the overall rate of return for all three services of the company has not yet reached an adequate level," Fletcher said.

He predicted that a greater number of builders and home owners would choose to use electricity for home heating as a result of the reduced rates, which he said would reduce electric heating costs from the present 1.75 cents a kilowatt hour to 1.35 cents.

"Electric heating has been growing in popularity throughout the country because it is the cleanest method of heating known, and the reduction in cost will make it very desirable here," Fletcher said.

Dog Races

Sierra Snowflake", Linda Draney, at the same club at 6 p. m.

Gary Gunkel of Tahoe Vista and Lee Fishback of Nevada City are among the favorites, but anything can happen and the races will be exciting to witness. There is no admission charge and plenty of parking area.

Events scheduled between races are a grand championship snowball fight between the defending champions, North Tahoe Elks Lodge and the challengers, Tahoe City Rotary Club. Four teams will compete Saturday and the championship fight on Sunday.

Joy Frates and Barbara Randol of Truckee were the first entries in the snow sculpture contest, with others expected to enter before the deadline.

Another attraction this year will be the open-to-all snowshoe race. Snowshoes will be provided for those wishing to test their skill and two steak dinners will be the reward to the winner.

Kay Clauser Weds Charles Nixon At Church Ceremony

Kay Lynne Clauser and Charles Franklin Nixon were united in marriage last Sunday evening at a lovely double-ring candlelight service performed at the United Church of Christ in Squaw Valley. The bride was escorted down the aisle by the Reverand Frank Evans who also officiated with the traditional wedding vows.

Miss Clauser, of Tahoe City, is the daughter of Mr. and Mrs. Dean Clauser and Nixon is the son of Mrs. Margaret Nixon and the late J. J. Nixon of Reno. She is an honor graduate of the Tahoe Truckee High School and he is a graduate of Tombstone High School in Arizona and both were students at the University of Nevada at the time of their marriage.

A stunning bridal gown of white satin seeded with pearls and with an overbodice and long sleeves of lace was worn by the bride. The train of lace was bordered by satin while the waist length headpiece of tulle was caught by a flower cluster at the crown. The bridal bouquet was of white roses and gardenias.

The bridal attendants, gowned in floor length royal blue satin, were Miss Susan Booth of Sacramento and Miss Sheryn Abrahamian of Tahoe Vista. They carried bouquets of blue carnations centered with white roses. The bridal party was completed by two charming flower girls, Megan and Bronwyn Evans, who wore dresses of pastel blue and carried baskets of blue and white flowers.

Attendants for the groom were Gus Anselmo of Pleasant Hill who acted as best man while Loren House of Reno and Mark Clauser of Tahoe City ushered at the ceremony. The groom, a talented singer who has been active in music circlues in Reno and Tucson, soloed with "Because" and "The Lord's Prayer." He was accompanied by Organist Mary Atcheson of Reno.

Immediately following the ceremony the young couple was honored at a reception held in the Converse Room of the Church which was hosted by Rev. and Mrs. Evans and the ladies of the church.

The just-weds left for a wedding trip to San Francisco and Carmel with the bride attired in a striking three piece pink ensemble with accessories of pink and white. They will make their first home in Tucson, Arizona, where both will attend the University of Arizona with the groom majoring in pre law studies and the bride in music and drama.

Phone Company

(Continued From Page 1)

ifornia, we must gear our plans to keep pace with the state's continued growth inasmuch as we are able.

"And, the huge expenditures necessary to do this, especially in view of continually rising costs, require that Pacific Telephone's earnings be maintained at a level which will permit us to compete for investors' confidence in our business."

Domergue said the company expects an increase of about 150 telephones in the Truckee exchange by the end of the year which would raise to 1,500 the number of phones in the exchange.

During 1964, Truckee telephone customers increased the number of calls they placed by 10 per cent to a total of 1,689,776 local and long distance calls.

The $580,000 to be spent in the Nevada County area this year for expansion and service improvement is part of a record $445 million construction program planned for California in 1965, the largest such program of any operating telephone company in the nation.

Here in Nevada County the company expects to spend more than $1,365,000 in the form of construction expenditures, payrolls and taxes, Domergue said.

Pacific Telephone property taxes in Nevada County during fiscal 1964-65 will total $246,747, a 2.1 per cent increase over fiscal 1963-64.

The company will pay roughly $525,000 in wages to employes in and around the Lake Tahoe-Truckee area during the coming year. Some 10,600 employes scattered throughout the northern counties area will earn a payroll of nearly $72.5 million in the same period of time.

While in the north, Mrs. Brown, who is supreme district deputy for that area, instituted Roseville Emblem Club No. 407 and will institute Red Bluff No. 408 on March 21. She reported interest in formation of clubs has been shown in other communities.
